LPL and Raymond James now offer Inspire Investing's Fidelis ETF significantly increasing investor access to the Fidelis 100 Index investment methodology

COLUMBIA, SC, UNITED STATES OF AMERICA, August 15, 2024 /EINPresswire.com/ -- Inspire Fidelis Multi-Factor ETF (NYSE: FDLS), whose mandate is to replicate the faith and factor-based Fidelis 100 Index, is now available through LPL and Raymond James custody platforms, in addition to: Charles Schwab, Fidelity, Goldman Sachs, and Pershing. Additional platforms are being added.

After successfully managing a multi-cap, multi-factor faith-based separate account composite (GIPS® compliant) for over 10 years called WI Fidelis, Wallick Institutional launched the WI Fidelis Multi-Cap Multi-Factor Index March 17, 2022. This "Fidelis 100" Index integrates Inspire Investing's revolutionary faith-based, biblically responsible social impact scores with Wallick Investments' multi-factor methodology for equity selection. See Fidelis100.com for methodology and performance details, and WIFidelisIndex.com/research for numerous academic and professional white papers lauding multi-factor investing.

"Platform expansion for FDLS means broader investor access to the Fidelis 100—Index methodology focused on faith and science— not market cap weights or unproven, often emotion-driven active management."
