

WI Fidelis Strategy and Excelsis Model portfolios are developed and managed by Wallick Investments, LLC.

Strategy and Model performance are performance of a hypothetical account. It does not represent performance of an actual account or account(s).

Although Folio Investments client accounts may be subscribed to managed models, actual performance will vary due to timing and tax issues. Each client's portfolio holdings and weightings vary based on individual time frames and risk tolerance.

The portfolio strategies and models display performance data to illustrate past performance and do not guarantee future results.
